Dear Supervisors:

EXCLUSION OF PARCEL W213-09 IN THE CITY OF LA PUENTE FROM THE CONSOLIDATED SEWER MAINTENANCE DISTRICT (SUPERVISORIAL DISTRICT 1) (3 VOTES)

SUBJECT

This action is to exclude those portions of the Consolidated Sewer Maintenance District lying within the City of La Puente from the Consolidated Sewer Maintenance District.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the Resolution of Intention to exclude from the Consolidated Sewer Maintenance District a certain parcel lying within the City of La Puente and known as "Parcel W213-09."
2. Set the matter for public hearing and instruct the Executive Officer of the Board of Supervisors to publish the notice in both English and Spanish newspapers.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Consider all objections made to the exclusion of the territory from the Consolidated Sewer Maintenance District or to the continuance of the remaining territory as the Consolidated Sewer Maintenance District.
2. After considering all objections, either:
 - a. Find the parcel to be excluded will not benefit by remaining within the Consolidated Sewer Maintenance District and that the remaining territory of the Consolidated Sewer Maintenance District will benefit by its continuance, and adopt a Resolution ordering the exclusion and reestablishing the remaining areas as the Consolidated Sewer Maintenance District; or
 - b. Find the parcel to be excluded will not benefit from exclusion and terminate proceedings.
3. If the exclusion is approved, adopt the Resolution approving and specifying that there will be no exchange of property tax revenues from the exclusion of this parcel.
4. If the exclusion is approved, instruct the Director of Public Works or her designee to file the necessary statement of boundary change with the State Board of Equalization and the County Assessor.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to exclude Parcel W213-09 from the Consolidated Sewer Maintenance (District) effective July 1, 2010. Parcel W213-09 consists of the area of the District lying within the City of La Puente (City).

On March 10, 2009, the City Council adopted City Resolution No. 09-4784 requesting withdrawal of the territory known as the City of La Puente from the District. The City Council indicated the desire to gain local control over the operation and maintenance of its local sewer system due to the adoption of the Sanitary Sewer Overflow regulations by the State of California.

The Honorable Board of Supervisors

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). This action supports these goals by facilitating the City's establishment of its own sewer maintenance services and the City's provision of direct access to information and services to its residents for sanitary sewer-related matters.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund. This action will result in approximately \$440,000 reduction in revenue for the District (Fund GA9 and J14) effective July 1, 2010, which will be offset by the elimination of services to the City.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Per Section 4905 et seq. of the Health and Safety Code, any portion of a District that will not be benefited by remaining in the District may be excluded from the District. The parcel proposed to be excluded will not be benefited by remaining in the District because the City will be providing its own sewer maintenance program. The remainder of the District will benefit by continuing as a District and should be reestablished as the District.

Per Section 4906.1 of the Health and Safety Code, your Board may, by resolution, enter in its minutes a fixed time for a hearing on the question of the exclusion of any portion of a district which will not be benefited by remaining in the District. The time fixed for the hearing shall not be less than 15 or more than 30 days from and after passage of the Resolution.

Per Section 4910 et seq. of the Health and Safety Code, if your Board finds that the territory proposed to be excluded will not be benefited by remaining in the District, and that the territory not proposed to be excluded will be benefited by continuing as a District, it shall, by resolution, declare the District be reestablished excluding therefrom the territory found not benefited by remaining in the District.

Per Section 4911 of the Health and Safety Code, upon the exclusion of said territory, all property acquired for the District shall remain vested to the County and be used for the purposes of the District.

In accordance with Section 58850 et seq. of the Government Code, this proposal was reviewed by the Director of Public Works or her designee and the County Assessor. The boundaries were approved as to definiteness and certainty and are shown on the legal descriptions (Enclosure B).

As required by Section 4908 of the Health and Safety Code, your Board shall direct its Executive Officer to publish a notice of the exclusion (Enclosure C) in a newspaper of general circulation at least 10 days prior to the time fixed for the hearing.

The Director of Public Works or her designee shall file the necessary statement of boundary change with the State Board of Equalization and the County Assessor as required by Section 54900 of the Government Code and Section 99 of the Revenue and Taxation Code.

Pursuant to Section 99 of the Revenue and Taxation Code, there will be no exchange of property tax revenue as a result of this action.

The Resolution of Intention (Enclosure A), Property Tax Resolution (Enclosure D), the Resolution Ordering Exclusion (Enclosure E), and Notice of Hearing have been approved as to form by County Counsel.

The Honorable Board of Supervisors

ENVIRONMENTAL DOCUMENTATION

Exclusion of territory from the District constitutes a change to a government funding mechanism, which does not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment and, therefore, pursuant to Section 15378(b)(4) of the California Environmental Quality Act (CEQA) Guidelines, does not constitute a project subject to CEQA.

The exclusion of territory from the District and the proposed operation of the sewer system for said territory by the City also constitutes an organizational or administrative activity of governments that will not result in direct or indirect physical changes in the environment. Therefore, Section 15378(b)(5) of the CEQA Guidelines also excludes said activity from the definition of a project that is subject to CEQA.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The services provided currently to the residents remaining in the District after exclusion will not be affected. The services to the residents in the excluded territory are proposed to be provided by the City.

CONCLUSION

Please return two adopted copies of this letter to the Department of Public Works, Sewer Maintenance Division.

Respectfully submitted,

GAIL FARBER
